

INDEX TO VOLUME 41

Part I: Author Index

- Brodeur, Armand E.**
The future technologist: unionism, professionalism, or licensure?, 280
- Brown, Mark**
A simple method for mounting 70 mm. spot film, 341
- Campbell, Cynthia B.**
The value of autotomography in the demonstration of the midline ventricular system of the brain, 65
- Campbell, John A.**
Technologist experience with fluoroscopy in gastrointestinal examinations, 344
- Celeste, Sr. Marie**
The modern trend in medical education and its effect on x-ray departments, 15
- Christensen, Charles L.**
Using a photographic exposure meter as a densitometer, 131
- Coates, Ralph W.**
President's address, 159
- Curcio, Barbara M.**
Professionalism, proficiency, perfection—a study in semantics (editorial), 303
- Damico, Clifford J.**
Clinical nuclear medicine (Maynard), *rev.*, 272
- Dixon, Jack L.**
A simple method for mounting 70 mm. spot film, 341
- Dreesen, Robert G.**
Technologist experience with fluoroscopy in gastrointestinal examinations, 344
- Eastman, Terry R.**
Chest technique through body habitus, 80
- Fuhs, Henry H.**
The medical radiologic technologist in research, 337
- Gault, Alice**
Evaluation of the double contrast media technique for oral cholecystography, 284
- Green, James F.**
Simultaneous determinations of ^{59}Fe , ^{51}Cr and ^{125}I activity in mixed samples, 244
- Grigg, E. R. N.**
Information science and American radiology, 19
- Growick, Simon**
Check list for newly appointed x-ray department supervisors, 239
- Gurley, Laverne Tolley**
Inservic education curriculums for radiology personnel, 232
- Harper, John W.**
Simultaneous determinations of ^{59}Fe , ^{51}Cr and ^{125}I activity in mixed samples, 244
- Hayward, Gerald**
Photomacroradiography, 74
- Holcomb, Mack H.**
I was embarrassed (editorial), 304
- Hoover, Charles**
Technologist experience with fluoroscopy in gastrointestinal examinations, 344
- Huettner, Henry A.**
Fair labor standards act and the technologist, 36
- Jones, Sandra L.**
Radiographic study of the navicular bone in the equine species, 31
- Lange, Walter H.**
Textbook of nuclear medicine technology (Early, Razzak, and Sodee), *rev.*, 391
- Lockery, Robert M.**
An atlas of axial transverse tomography and its clinical applications (Kakahashi), *rev.*, 392
- Logsdon, Donald F., Jr.**
Fundamental problems in scanning (Gottschalk and Beck), *rev.*, 61
Simultaneous determinations of ^{59}Fe , ^{51}Cr and ^{125}I activity in mixed samples, 244
- Martin, Franklin V.**
Introduction to medical science (Young & Barger), *rev.*, 323
Patient care and special procedures in radiologic technology (Watson), *rev.*, 272
- McDonnell, Terence M.**
Technologist experience with fluoroscopy in gastrointestinal examinations, 344
- McMahon, John C.**
Evaluation of radiation doses to body tissues from internal contamination due to occupational exposure (International Commission on Radiological Protection), *rev.*, 211
Fundamentals of radiation protection (Henry), *rev.*, 393
- McGlone, Willard E.**
Radiation protection of the reproductive organs during radiography of the hip joints, 277
- Miller, Roscoe E.**
Technologist experience with fluoroscopy in gastrointestinal examinations, 344
- Moss, Frank E.**
Radiation control and the federal government, 104
- Ochsner, Seymour F.**
A radiologist looks at the future of radiologic technology, 349
- Osborn, Royce R.**
President's message, 44
- Palmer, Virginia**
Evaluation of the double contrast media technique for oral cholecystography, 284

Pearson, Gertrude R.

Paramedical dictionary (Schmidt), *rev.*, 211

Phillips, Robert I.

Philosophy of leadership, 85

Roemer, Rodney C.

The rays: a history of radiology in the United States and Canada (Bercher), *rev.*, 392

Schawelson, Robert Terry

Double contrast knee arthrography with horizontal beam, 98

Selden, William K.

Just one big happy family: a proposal for cooperation in accreditation among the health professions, 150

Silverman, Harold

A short textbook of radiotherapy (Walter & Miller), *rev.*, 327

Hodgkin's disease: radical treatment by radiation therapy, 1

Smith, Lorraine

Counterweighted cassette holder, 347

Stoltz, Robert Edward

College credit by examination, 288

Thompson, Charles H.

Radiographic positioning and related anatomy (Meschan), *rev.*, 210

Tolan, John H.

Fundamentals of radiation protection (Henry), *rev.*, 323

Introduction to health physics (Cember), *rev.*, 323

Principles of radiation protection (Morgan & Turner), *rev.*, 323

Wesolowski, Wanda E.

A new approach to bronchography: the pleasant ordeal, 291

Widger, Jean I.

Is excellence still respectable? (Jerman memorial lecture), 219

Journal profits up (editorial), 358

Room for two (editorial), 357

Technology: stage center (editorial), 303

The high cost of communication? (editorial), 45

Winkler, Norlin T.

Minimizing radiation exposure of patients and personnel, 142

Part II: Permuted Title Index

This is a modified permuted title index in which the key words of the title are indexed. Therefore, an article may appear under more than one key word. An abstract is identified by *ab.*, a book review by *rev.* Names listed in the title index are those which appear as parts of titles, or are names of individuals who have biographic reference. The page reference immediately follows the title.

Abstract

- Abstract of board minutes, 1969, 190
- Abstract of midyear board minutes, 306
- Mid-year board of directors meeting: abstract of minutes, 46

Accreditation

- Just one big happy family: a proposal for cooperation in accreditation among the health professions, 150

Activity

- Simultaneous determinations of ^{59}Fe , ^{51}Cr and ^{125}I activity in mixed samples, 244

Address

- President's address, 159

Administrator

- Report of insurance administrator, 178
- Technologist administrator planned for joint review committee, 315

Affiliate

- Report of special affiliate bylaws review committee, 175

Affiliation

- Affiliation news, 56, 125, 206, 267, 388
- Report of affiliation committee, 172

Alabama

- Alabama society, 125

Albany

- Albany regional program in radiologic technology, 260

Allied health

- Indiana university receives largest allied health grant, 48

AMA

- AMA approves therapy programs, 366

Anatomy

- Radiographic positioning and related anatomy (Meschan), *rev.*, 210

Anger

- Sr. Mary Alacoque Anger (*obit.*), 212

Application

- New x-ray application forms available, 63

Arkansas

- Arkansas society, 56

ASRT

- ASRT financial contributions to ASRT, 216

Arthrography

- Double contrast knee arthrography with horizontal beam, 98

ASRT

- ASRT financial contributions to ASRT, 216

Association

- Medical exhibitors association, 300

Atlas

- An atlas of axial tomography and its clinical applications (Kakahashi), *rev.*, 392

Autotomography

- The value of autotomography in the demonstration of the midline ventricular system of the brain, 65

Beam(s)

- Double contrast knee arthrography with horizontal beam, 98
- 179 gamma beams, 249

Blindness

- Sunspots, blindness and corona, 355

Blood

- Glass and blood, 249

Board

- Abstract of board minutes, 1969, 190
- Abstract of midyear board minutes, 306
- Mid-year board of directors meeting: abstract of minutes, 46
- Nuclear medicine board of schools becomes reality, 258

Bone

- Radiographic study of the navicular bone in the equine species, 31

Book(s)

- Books received, 62, 126, 211, 272, 327, 393
- Book reviews, 61, 210, 272, 323, 391

Bookshelf

- Editor's bookshelf, 61, 126, 210, 272, 323, 391

Brain

- Magnetic catheters first in brain, now for bronchial studies, 353
- The value of autotomography in the demonstration of the midline ventricular system of the brain, 65

Breast

- Earlier diagnosis for breast cancer, 299

Bronchial

- Magnetic catheters first in brain, now for bronchial studies, 353

Bronchography

- A new approach to bronchography: the pleasant ordeal, 291

Budget

- Budget proposal 1969-1970, 173

Building

- Addition to registry office building planned, 216
- New addition to registry building, 274

Bylaws

- Proposed bylaws changes now due, 310
- Report of resolutions and bylaws committee, 185
- Report of special affiliate bylaws review committee, 175

Canada

- The rays: a history of radiology in the United States and Canada (Bercher), *rev.*, 392

Canadian

- Canadian technicians meet in Vancouver, 373

Cancer

- Earlier diagnosis for breast cancer, 299

Candidates

- Candidates for office, 331

Careers

- Report of public relations and careers committee, 182

Carter

- Sally Kennard Carter (*obit.*), 214

Cassette

- Counterweighted cassette holder, 347

Catheters

- Magnetic catheters first in brain, now for bronchial studies, 353

Certificate

- Certificate renewals: first come, first served, 329
- Replacement of certificate, 63

Chairman

- Committee chairman chosen for 1970 annual ASRT meeting, 196

Chest

- Chest technique through body habitus, 80

Cholecystography

- Evaluation of the double contrast media technique for oral cholecystography, 284

City

- Report of convention city committee, 176

College

- College credit by examination, 288

Collins

- Sister Anne Perpetua Collins, R.T. (*obit.*), 390

Committee

- Report of affiliation committee, 172
- Report of convention city committee, 176
- Report of education committee, 177
- Report of education committee, graduate courses, 176
- Report of fellow committee, 177
- Report of membership committee, 179
- Report of nominating committee, 181
- Report of public relations and careers committee, 182
- Report of publication committee, 182
- Report of radiation safety committee, 183

- Report of resolutions and bylaws committee, 185
- Report of special affiliate bylaws review committee, 175
- Technologist administrator planned for joint review committee, 315

Communication

- The high cost of communication? (editorial), 45

Computer

- Picture by computer, 249

Conference

- Conference of Australasian institute of radiography, 196
- Conference on medical radiation protection, 196
- Northwest conference, 50, 259

Contamination

- Evaluation of radiation doses to body tissues from internal contamination due to occupational exposure (International Commission on Radiological Protection), *rev.*, 211

Contrast

- Double contrast knee arthrography with horizontal beam, 98
- Evaluation of the double contrast media technique for oral cholecystography, 284

Contributions

- ARRT financial contributions to ASRT, 216

Convention

- Convention expectations, 313
- Report of convention city committee, 176

Coordinator

- Report of school survey coordinator, 185

Corona

- Sunspots, blindness and corona, 355

Cost

- The high cost of communication? (editorial), 45

Course

- Graduate course descriptions, 310
- Graduate course instructors, 369
- Graduate course program, 193
- Graduate course program, 1970, 252
- One-year nuclear medicine course at nuclear medicine institute, 366

Cr-51

- Simultaneous determinations of ^{59}Fe , ^{51}Cr and ^{125}I activity in mixed samples, 244

Credit

- College credit by examination, 288

Crogahn

- Thomas Peter Crogahn (*obit.*), 214

Curriculums

- Inservice education curriculums for radiology personnel, 232

Dates

- Dates to remember, 64, 129, 217, 275, 330, 396

Deadlines

- Deadlines, 329

Densitometer

Using a photographic exposure meter as a densitometer, 131

Denver

Two-year programs in therapy and nuclear medicine technology for Denver, 49

Determinations

Simultaneous determinations of ^{59}Fe , ^{51}Cr and ^{125}I activity in mixed samples, 244

Detroit

Detroit society, 388

Diagnosis

Earlier diagnosis for breast cancer, 199

Dictionary

Paramedical dictionary (Schmidt), *rev.*, 211

Director

Education director to be selected, 313

Directory

Deadline for ARRT directory, 63

Disease

Hodgkin's disease: radical treatment by radiation therapy, 1

District

District of Columbia, 56, 388

Doses

Evaluation of radiation doses to body tissues from internal contamination due to occupational exposure (International Commission on Radiological Protection), *rev.*, 211

DuPont

Five new products for x-ray by DuPont, 301

Editor(s)

Editor's bookshelf, 61, 126, 210, 272, 323, 391
Report of editor of RADIOLOGIC TECHNOLOGY, 183

Editorials

Editorials, 45, 303, 357

Education

Continuing education for technologists, 111
Education director to be selected, 313
Excellent response to program in continuing education, 128
Greene education program 1970, 274
Inservic education curriculums for radiology personnel, 232
Program of continuing education, 215
Report of education committee, 177
Report of education committee, graduate courses, 176
The modern trend in medical education and its effect on x-ray departments, 15

Egolf

Howard F. Egolf, R.T. (*obit.*), 390

Eilert

Eilert speaks at graduation exercises, 259

Eligibility

Eligibility requirements reworded, 394

Emblems

Emblems available, prices up, 199

Emblems

Ordering registry emblems, 63

Equine

Radiographic study of the navicular bone in the equine species, 31

Equivalency

Evaluation of foreign high school equivalency, 63

Essay

Essay rules and regulations, 115

Essentials

Essentials of an accredited educational program for radiologic technologists, 295
Essentials of an accredited educational program in nuclear medicine technology, 139

Examination(s)

College credit by examination, 288
Examination assignments, 128
May, 1969, examination in x-ray technology, 128
November 1969, examinations, 328
Technologist experience with fluoroscopy in gastrointestinal examinations, 344

Excellence

Is excellence still respectable? (Jerman memorial lecture), 219

Exhibit(s)

ASRT exhibits at American personnel and guidance association meeting, 48
Exhibit rules and regulations, 116
New idea? How about an exhibit?, 254

Exhibitors

Medical exhibitors association, 300

Exposure

Evaluation of radiation doses to body tissues from internal contamination due to occupational exposure (International Commission on Radiological Protection), *rev.*, 211
Minimizing radiation exposure of patients and personnel, 142

Fe-59

Simultaneous determinations of ^{59}Fe , ^{51}Cr and ^{125}I activity in mixed samples, 244

Fee

Refund of application fee discontinued, 216

Fellow

Report of fellow committee, 177

Fillings

Radiopaque fillings for front teeth, 299

Film

A simple method for mounting 70 mm. spot film, 341

Florida

Fishing in Florida waters, 382
Florida society, 56

Fluoroscopy

Technologist experience with fluoroscopy in gastrointestinal examinations, 344

Foreign

Evaluation of foreign high school equivalency, 63

Future

A radiologist looks at the future of radiologic technology, 349

Gamma

179 gamma beams, 249

Gastrointestinal

Technologist experience with fluoroscopy in gastrointestinal examinations, 344

Government

Radiation control and the federal government, 104

Graduate

Graduate course descriptions, 310

Graduate course instructors, 369

Graduate course program, 193

Graduate course program, 1970, 252

Grant

Indiana university receives largest allied health grant, 48

Greene

Greene education program 1970, 274

Guidance

ASRT exhibits at American personnel and guidance association meeting, 48

Guidelines

Guidelines to radiological health, 250

Habitus

Chest technique through body habitus, 80

Health

Guidelines to radiological health, 250

Indiana university receives largest allied health grant, 48

Introduction to health physics (Cember), *rev.*, 323

Just one big happy family: a proposal for cooperation in accreditation among the health professions, 150

Multimillion contribution to university of Nevada for health sciences, 50

High school

Evaluation of foreign high school equivalency, 63

What is proof of high school?, 329

Hip

Radiation protection of the reproductive organs during radiography of the hip joints, 277

Historian

Report of historian, 178

History

The rays: a history of radiology in the United States and Canada (Bercher), *rev.*, 392

Hodgkin's

Hodgkin's disease: radical treatment by radiation therapy, 1

Homier

Pearl Mary Homier, R.T. (*obit.*), 390

I-125

Simultaneous determinations of ^{59}Fe , ^{51}Cr and ^{125}I activity in mixed samples, 244

Illinois

Illinois society, 57

Incident

A preventable incident, 42

Information

Information science and American radiology, 19

Radiation safety information important to technologists, 358

Inservice

Inservice education curriculums for radiology personnel, 232

Institute

Conference of Australasian institute of radiography, 196

One-year nuclear medicine course at nuclear medicine institute, 366

Preliminary institute program, 365

Instructors

Graduate course instructors, 369

Virginia workshop for instructors, 196

Instrumentation

Billions for medical instrumentation by 1975, 149

Insurance

Report of insurance administrator, 178

International

International technology meeting in Tokyo, 49, 114

Intrauterine

Intrauterine transfusion for Rh factor exchange, 354

Invitation

Official invitation to annual meeting, 265

Iowa

Iowa society, 267

Iso-topics

Iso-topics, 18, 79, 141, 248, 346

Jerman

Jerman memorial lecture: Is excellence still respectable? 219

Jones

Henry Jones (*obit.*), 214

William Edward Jones (*obit.*), 214

Journal(s)

From foreign journals, 42

Journal profits up (editorial), 358

Karp

Cynthia Rose Karp, R.T. (*obit.*), 390

Kentucky

Kentucky society, 267

Knee

Double contrast knee arthrography with horizontal beam, 98

Labor

Fair labor standards act and the technologist, 36

Lange

Lange resigns, Mogg appointed, 310

Leadership

Philosophy of leadership, 85

Lecture

Guest lecture series, 374

Jerman memorial lecture: Is excellence still respectable?, 219

Levy

Florence Levy, R.T. (*obit.*), 390

Licensure

The future technologist: unionism, professionalism, or licensure?, 280

List

Check list for newly appointed x-ray department supervisors, 239

Malloy, Hugh George

Hugh George Malloy, R.T. (*obit.*), 127

Managers

Radiologists business managers, 314

Manuals

Radiation protection manuals, 41

Media

Evaluation of the double contrast media technique for oral cholecystography, 284

Medicine

Clinical nuclear medicine (Maynard), *rev.*, 272

Essentials of an accredited educational program in nuclear medicine technology, 139

Nuclear medicine board of schools becomes reality, 258

Nuclear medicine section formed, 199

Nuclear medicine technologists, 253

One-year nuclear medicine course at nuclear medicine institute, 366

Outstanding nuclear medicine program offered, 312

Textbook of nuclear medicine technology (Early, Razzak, and Sodee), *rev.*, 391

Two-year programs in therapy and nuclear medicine technology for Denver, 49

Meeting

ASRT exhibits at American personnel and guidance association meeting, 48

Committee chairman chosen for 1970 annual ASRT meeting, 196

International technology meeting in Tokyo, 49, 114

Mid-year board of directors meeting: abstract of minutes, 46

Official invitation to annual meeting, 256

Proceedings of the forty-first annual meeting of the American society of radiologic technologists, 1969, 159

Membership

Report of membership committee, 179

Memoriam

In memoriam, 127, 212, 390

Merrigan

Sister Beatrice Merrigan honored by Oklahoma society, 365

Message

President's message, 44, 110, 158, 251, 356

Meter

Using a photographic exposure meter as a densitometer, 131

Method

A simple method for mounting 70 mm. spot film, 341

Minutes

Abstract of board minutes, 1969, 190

Abstract of midyear board minutes, 306

Mid-year board of directors meeting: abstract of minutes, 46

Missouri

Erratum: Missouri society, 316

Missouri society, 206

Mobile

Cordless mobile x-ray unit, 299

Mogg

Lange resigns, Mogg appointed, 310

Montana

Montana society, 125

Montgomery

Chester Sidney Montgomery (*obit.*), 214

Morel, Joseph M.

Joseph M. Morel, R.T. (*obit.*), 127

Navicular

Radiographic study of the navicular bone in the equine species, 31

Nebraska

Nebraska society, 269

Neck

Neck injuries and death, 250

NEMA

NEMA competition for 1970, 114

Nevada

Multimillion contribution to university of Nevada for health sciences, 50

New Mexico

New Mexico society, 58

News

Affiliation news, 56, 125, 206, 267, 388

General news, 46, 112, 190, 252, 306, 365

How to have interesting and timely news, 267

Registry news, 63, 128, 215, 274, 328, 394

New York

New York state society, 59

Nominations

Nominations open for ASRT officers, 254

North Carolina

North Carolina society, 206

North Dakota

North Dakota society, 125

Notes

Technical notes, 41, 156, 249, 299, 353

- Report of registry trustee, 186
- Regulations**
- Essay rules and regulations, 115
- Exhibit rules and regulations, 116
- Renewal(s)**
- Certificate renewals: first come, first served, 329
- Physician's signature no longer required on renewal form, 216
- Renewals due, 274
- Report**
- Report of affiliation committee, 172
- Report of convention city committee, 176
- Report of editor of radiologic technology, 183
- Report of education committee, 177
- Report of education committee, graduate courses, 176
- Report of fellow committee, 177
- Report of historian, 178
- Report of insurance administrator, 178
- Report of membership committee, 179
- Report of nominating committee, 181
- Report of publication committee, 182
- Report of public relations and careers committee, 182
- Report of radiation safety committee, 183
- Report of registry trustee, 186
- Report of resolutions and bylaws committee, 185
- Report of school survey coordinator, 185
- Report of secretary-treasurer, 185
- Report of special affiliate bylaws review committee, 175
- Requirements**
- Eligibility requirements reworded, 394
- Research**
- The medical radiologic technologist in research, 337
- Resolutions**
- Report of resolutions and bylaws committee, 185
- Review(s)**
- Book reviews, 61, 210, 272, 323, 391
- Rh**
- Intrauterine transfusion for Rh factor exchange, 354
- Roster**
- Official roster of affiliate societies, 51, 120, 201, 262, 318, 383
- Rules**
- Essay rules and regulations, 115
- Exhibit rules and regulations, 116

Safety

- Radiation safety, 42, 189, 252, 305, 358
- Radiation safety information important to technologists, 358
- Report of radiation safety committee, 183

Samples

- Simultaneous determinations of ^{59}Fe , ^{51}Cr and ^{125}I activity in mixed samples, 244

Scanning

- Fundamental problems in scanning (Gottschalk and Beck); *rev.*, 61

School(s)

- New schools, 63
- Nuclear medicine board of schools becomes reality, 258
- Report of school survey coordinator, 185
- Schools of radiologic technology, 353

Science

- Information science and American radiology, 19
- Introduction to medical science (Young & Barger), *rev.*, 323
- Multimillion contribution to university of Nevada for health sciences, 50

Score

- How passing score is established, 395

Secretary-treasurer

- Report of secretary-treasurer, 185

Semantics

- Professionalism, proficiency, perfection—a study in semantics (editorial), 303

Series

- Guest lecture series, 374

Signature

- Physician's signature no longer required on renewal form, 216

Societies

- Official roster of affiliate societies, 51, 120, 201, 262, 318, 383

Society

- Beginning of a new era for the society—success or failure, 193
- Alabama society, 125
- Arkansas society, 56
- Detroit society, 388
- District of Columbia, 56, 388
- Florida society, 56
- Illinois society, 57
- Iowa society, 267
- Kentucky society, 267
- Missouri society, 206, 316
- Montana society, 125
- Nebraska society, 269
- New Mexico society, 58
- New York state society, 59
- North Carolina society, 206
- North Dakota society, 125
- Oklahoma society, 207

Oregon society, 207

Pennsylvania society, 208

Proceedings of the forty-first annual meeting of the American society of radiologic technologists, 1969, 159

Sister Beatrice Merrigan honored by Oklahoma society, 365

South Dakota society, 59

Tennessee society, 60, 270

Texas society, 125

Utah society, 270

Virginia society, 209

Wisconsin society, 389

South Dakota

South Dakota society, 59

Standards

- Fair labor standards act and the technologist, 36
- Progress toward federal minimum standards, 112

Statement

- Audited financial statement, fiscal year 1968-69, 360

Stomach

- Release stomach gas on purpose?, 354

Stone

- Francis M. Stone, III (*obit.*), 214

Studies

- Magnetic catheters first in brain, now for bronchial studies, 353

Sullivan

- Ethel J. Sullivan, R.T. (*obit.*), 390

Sunspots

- Sunspots, blindness and corona, 355

Supervisor(s)

- Acceptable physician supervisor re-defined, 216
- Check list for newly appointed x-ray department supervisors, 239

Survey

- Report of school survey coordinator, 185

Symposia

- Symposia program, 309

Technical

- Technical notes, 41, 156, 249, 299, 353

Technicians

- Canadian technicians meet in Vancouver, 373

Technique

- Chest technique through body habitus, 80
- Evaluation of the double contrast media technique for oral cholecystography, 284

Technologist(s)

- Continuing education for technologists, 111
- Essentials of an accredited educational program for radiologic technologists, 295
- Fair labor standards act and the technologist, 36
- Nuclear medicine technologists, 253
- Over 60,000 certified x-ray technologists, 395
- Proceedings of the forty-first annual meeting of the American society of radiologic technologists, 1969, 159

- Radiation safety information important to technologists, 358
- Technologist administrator planned for joint review committee, 315
- Technologist experience with fluoroscopy in gastrointestinal examinations, 344
- The future technologist: unionism, professionalism, or licensure?, 280
- The medical radiologic technologist in research, 337
- Technology**
- Albany regional program in radiologic technology, 260
- A radiologist looks at the future of radiologic technology, 349
- Essentials of an accredited educational program in nuclear medicine technology, 139
- International technology meeting in Tokyo, 49, 114
- May, 1969, examination in x-ray technology, 128
- Patient care and special procedures in radiologic technology (Watson), *rev.*, 272
- Schools of radiologic technology, 353
- Technology: stage center (editorial), 303
- Textbook of nuclear medicine technology (Early, Razzak, and Sodee), *rev.*, 391
- Technology**
- Two-year programs in therapy and nuclear medicine technology for Denver, 49
- Teeth**
- Radiopaque fillings for front teeth, 299
- Tennessee**
- Tennessee society, 60, 270
- Texas**
- Texas society, 125
- Textbook**
- A short textbook of radiotherapy (Walter & Miller), *rev.*, 327
- Textbook of nuclear medicine technology (Early, Razzak, and Sodee), *rev.*, 391
- Therapy**
- AMA approves therapy programs, 366
- Hodgkin's disease: radical treatment by radiation therapy, 1
- Two-year programs in therapy and nuclear medicine technology for Denver, 49
- Tissues**
- Evaluation of radiation doses to body tissues from internal contamination due to occupational exposure (International Commission on Radiological Protection), *rev.*, 211
- Tokyo**
- International technology meeting in Tokyo, 49, 114
- Tomography**
- An atlas of axial tomography and its clinical applications (Kakahashi), *rev.*, 392
- Transfusion**
- Intrauterine transfusion for Rh factor exchange, 354
- Translation**
- Translation talk, 301
- Treatment**
- Hodgkin's disease: radical treatment by radiation therapy, 1
- Trend**
- The modern trend in medical education and its effect on x-ray departments, 15
- Trustee**
- New trustee appointed, 394
- Report of registry trustee, 186
- Unionism**
- The future technologist: unionism, professionalism, or licensure?, 280
- United States**
- The rays: a history of radiology in the United States and Canada (Bercher), *rev.*, 392
- University**
- Indiana university receives largest allied health grant, 48
- Utah**
- Utah society, 270
- Virginia**
- Virginia society, 208
- Virginia workshop for instructors, 196
- Walthousen**
- Louis W. Walthousen, R.T. (*obit.*), 391
- Weaver**
- Grace I. Weaver, R.T. (*obit.*), 391
- Wisconsin**
- Wisconsin society, 389
- Workshop**
- Virginia workshop for instructors, 196
- Xerox**
- Xerox shift, 353
- X ray**
- Over 60,000 certified x-ray technologists, 395
- Youngblood**
- Harold S. Youngblood (*obit.*), 214
